Sub-processors

The Company uses the sub-processors listed at www.displayr.com/gdpr.

Retention Periods

The Company retains personal data it collects as a data processor for as long as the Company has a business purpose for it or for the longest time allowable by applicable law.

Customer retains personal data it collects or receives in its capacity as a data controller consistent with applicable law and its own business purposes.

Technical and Organizational Measures Used by the Company to Ensure the Security of Personal Data

Company will maintain administrative, physical, and technical safeguards for protection of the security, confidentiality and integrity of Personal Data, as described in the Security Statement which can be read at https://docs.displayr.com/wiki/Security_Statement or otherwise made reasonably available by Company.

Information for Standard Contractual Clauses

For the purposes of the Standard Contractual Clauses, the parties agree as follows:

- Clause 9, Module 2(a): The parties select Option 2 (general written authorization). The time period is 10 calendar days.
- Clause 11(a): The parties do not select the independent dispute resolution option.
- Clause 13: The supervisory authority with responsibility for ensuring compliance by the data exporter is:
  o where the data exporter is established within an EU member state, the supervisory authority of that EU member state OR
  o where the data exporter is subject to EU GDPR pursuant to Article 3(2) EU GDPR and has appointed a representative in the EU, the supervisory authority of that EU member state OR
where the data exporter is subject to EU GDPR pursuant to Article 3(2) EU GDPR, but has not appointed a representative in an EU member state, the supervisory authority of the EU member state where the relevant data subjects are located.

- Clause 17: The parties select Option 1. The standard contractual clauses shall be governed by the law of Ireland.
- Clause 18(b): The parties agree that the forum is Ireland.
- Annex I(A): The data exporter is Customer. The data importer is the Company. Contact details for the parties are the contact details in this Data Processing Amendment.
- Annex I(B): The parties agree that this Schedule describes the transfer.
- Annex I(C): The competent supervisory authority is the supervisory authority of Ireland.
- Annex II: The parties agree that this Schedule describes the technical and organizational measures appliable to the transfer.

**UK Standard Contractual Clauses (controller to processor)**

The applicable provisions are the UK Data Transfer Addendum, being the EU Standard Contractual Clauses set out above as amended by a data transfer addendum in a form adopted by the UK ICO, as amended, superseded or replaced from time to time, and as adapted in accordance with the following details:

- Clause 9, Module 2(a): The parties select Option 2 (general written authorization). The time period is 10 calendar days.
- Clause 11(a): The parties do not select the independent dispute resolution option.
- Clause 13: The competent supervisory authority is the UK Information Commissioner’s Office.
- Clause 17: The standard contractual clauses shall be governed by the law of England.
- Clause 18(b): The parties agree that the forum is England.
- Annex I(A): The data exporter is Customer. The data importer is the Company. Contact details for the parties are the contact details in this Data Processing Amendment.
- Annex I(B): The parties agree that this Schedule describes the transfer.
- Annex I(C): The competent supervisory authority is the UK Information Commissioner’s Office.
- Annex II: The parties agree that this Schedule describes the technical and organizational measures appliable to the transfer.
